

REMARKS

Applicants thank the Examiner for allowing claims 37, 39 and 40.

Applicants have rewritten claim 31 to be in independent form including all of the limitations of the base claim and any intervening claims. Since the Examiner indicated that claim 31 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims, Applicants submit that claim 31 is now in allowable condition.

All other claims previously pending in the present application have been canceled.

Since the claim amendments put the present application in condition for allowance, entry of the claim amendments is requested.

In light of the foregoing, it is respectfully submitted that the present application is in condition for allowance. Prompt reconsideration and allowance of the present application are therefore earnestly solicited.

Respectfully submitted,

Dated: January 30, 2009
